JULY 2025

- Schizophrenic month — US up, developed flat, EM up (frontier EM up a lot)
- Growth dominated among large caps; value dominated among small caps
- 2025 stacking up nicely — US up 8%, all else up more than double that!
- Bitcoin? Needless to say . . .

Disclaimers

The performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate and thus an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than return data quoted herein.

Neither the sender of this report nor the sender's third party vendors and data providers make any representations or warranties of any kind with respect to the subject matter herein, whether express or implied. The foregoing parties expressly disclaim any warranties of merchantability, fitness for a particular purpose, accuracy, completeness or non-infringement with respect to the subject matter herein.

The information contained in this consolidated investment summary is not the official record of your account(s) and investments. It has been prepared to assist you with your investment planning and is for informational purposes only and is not a solicitation by DHK for a purchase or sale of any securities or other financial instrument.

Values of assets "held away" from Charles Schwab are manually entered based on the information from your current statement(s) provided by the respective Fund(s) or the management of the Alternative Investment. If there are any discrepancies between this consolidated investment summary report and your individual account statement(s), you should rely on your individual account statements as provided by the Fund, or the management of the Alternative Investment.

To comply with IRS requirements, please be advised that, unless otherwise stated by the sender, any tax advice contained in this report is not intended or written to be used, and cannot be used, by the recipient to avoid any federal tax penalty that may be imposed on the recipient, or to promote, market or recommend to another any referenced entity, investment plan or arrangement.
